ENVIRONMENTAL POLICY

The Photo Curators Ltd accepts responsibility for the impact its operations might have on both the local and global environment and is committed to reducing them.

AIMS

We constantly strive to:

- Minimise waste by evaluating operations to ensuring they are as environmentally sensitive as possible.
- Dispose of waste safely and responsibly.
- To reduce the impact of business travel by minimising the need to travel and by using low carbon transport for meetings both locally, nationally and internationally.
- Actively promote reuse, repurpose and recycling within the workplace, and encourage the adoption of similar principles by our clients and suppliers.
- Raise staff awareness of environmental issues and enlist their support in achieving our aims.
- Reduce resource consumption within our office.
- Adopt the practice of purchasing and reworking used equipment rather than new where possible.
